

REMARKS

Claims 1-21 are pending in the case. In the office action, the Examiner contends that the application contains claims directed to three patentably distinct species: Figure 1, Figure 3 and Figure 4.

Applicant elects species A (Figure 1) including claims 1-2 and 4-11 for further prosecution. Claims 1-2 and 4-11 are readable on Figure 1.

Furthermore, **Claim 1** reads on Figures 1 and 3 and is a **generic claim to species A (Figure 1) and species B (Figure 3)**.

In the present submission, claim 3, readable on Figure 3, and claims 12-21, readable on Figure 4, are withdrawn from consideration. Upon allowance of generic claim 1, Applicant is entitled to consideration of at least claim 3 which depend from generic claim 1.

Should the Examiner have any questions, please call the undersigned at (408) 382-0480 x208.

Certificate of Electronic Transmission

I hereby certify that this correspondence is being submitted electronically to the United States Patent and Trademark Office using EFS-Web on the date shown below.
